☐ CONSENT AGENDA

RECOMMENDATION: Hold hearing record open until the close of business on Monday October 18, 2004. Proposals will then be evaluated and the recommended projects will be brought to the Mayor and Council for Approval. The City's application must be submitted to Montgomery County by December 1, 2004.

IMPACT: ☐ Environmental ☒ Fiscal ☒ Neighborhood ☐ Other:

CDBG funds are used to provide programs and services that are not included through other City funded activities. Block Grant funds are also used to eliminate blighting conditions in the City's neighborhoods.

BACKGROUND: The Community Development Block Grant program provides Federal funds for eligible housing and community development projects. Rockville's Block Grant funds are received via a "pass through" agreement with Montgomery County based upon the ratio of low-moderate income persons living within the city as compared with the number living in Montgomery County overall.

Federal regulations and legislation have established rules that all CDBG funded projects must meet. In order to be eligible for CDBG funds, a project must (1) benefit primarily low-moderate income persons or (2) control or abate slum and blight conditions. Only 15% of the total allocation of CDBG funds can be used for public service projects and only 20% of the total allocation can be used for administrative costs.

One of the requirements for receiving CDBG funds is to conduct a public hearing to receive project proposals. Notice of the public hearing and the availability of funds has been mailed to one hundred thirty (130) organizations

For several years the City of Rockville has received its Community Development Block Grant (CDBG) funding through a Cooperation Agreement with Montgomery County. The Community Development Block Grant Program is a federal grant for housing and community development projects, which are primarily to benefit low and/or moderate-income persons. The amount of money Rockville receives is based upon the number of low/moderate income persons living in the city. According to preliminary calculations, Rockville is projected to receive \$380,000 in CDBG funding for Fiscal Year 2006. That amount is, however, subject to the amount of CDBG funds appropriated by Congress.

It should be noted that federal CDBG regulations allow a maximum of only 15% of the annual grant to be allocated to public service programs. Public services include, but are not limited to, those programs concerned with employment, crime prevention, childcare, health care, drug abuse programs, education, mental health, energy conservation, welfare or recreation.

CDBG funds are used in Rockville to make improvements to our neighborhoods. They are available to finance new projects as well as to support ongoing programs, such as Rockville's Home Rehabilitation Loan and Grant Program.

The time is coming for decisions to be made for the allocation of CDBG funds and the City is inviting proposals for their use. Citizens and organizations may voice their opinions on proposals at a Public Hearing to be held at 7:00 p.m. on Monday, October 4, 2004. Anyone wishing to speak at this hearing should register with the City Clerk by calling 240-314-8280 between the hours of 8:30 a.m. and 5:00 p.m. Testimony will be limited to three minutes for an individual citizen and five minutes for an association or organization.

Applications are available at the Department of Community Planning and Development Services. Written CDBG proposals should be submitted to the Department of Community Planning and Development Services no later than 5:00 P.M. on Monday October 18, 2004. They should be addressed to:

City of Rockville
Department of Community Planning and Development Services
111 Maryland Avenue
Rockville, Maryland 20850

The proposals will be reviewed and prioritized by City staff and forwarded to the Mayor and Council for review and approval.

Attached is a fact sheet that will explain the types of proposals that will be eligible or ineligible for CDBG funding.

For further information, call the Department of Community Planning and Development Services at 240-314-8200.

GUIDE FOR COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROPOSALS

All CDBG projects must (1) benefit low and moderate-income people and (2) prevent or eliminate slums and blight.

For an activity to meet the first national objective, or to benefit low and moderate income people, it must have income eligibility requirements that limit the benefits of the project to low and moderate income persons or the project must be located in an area that is predominately inhabited by residents who are persons of low and moderate income. Under the regulations pertaining to the CDBG program, facilities that serve the elderly or adults with disabilities are usually considered to benefit low and moderate-income persons.

HUD INCOME LIMITS*Effective February 20, 2003

Family Size	Low	Moderate
1	\$30,450	\$39,550
2	\$34,800	\$45,200
3	\$39,150	\$50,850
4	\$43,500	\$56,500
5	\$47,000	\$61,000
6	\$50,450	\$65,550
7	\$53,950	\$70,050
8	\$57,400	\$74,600

* All income figures have been rounded off to the nearest \$50.

For an activity to meet the second national objective, the removal of blight, it must be designed to address the conditions causing the slums and blight. Generally, the City determines areas of slums or blight, although activities designed to remove a specific blighting condition can be considered. Historic preservation activities can also be undertaken.

There is a third national objective, that is, to meet an urgent community need. In order to meet that objective, it must be demonstrated that the project will address an immediate threat to the health or welfare of the community such as a natural disaster. Because the third national objective addresses a very narrow range of activities, applicants should consult with the CPDS staff before selecting them.

Activities that do not meet one of the national objectives cannot be undertaken with CDBG funds.

Block Grant funds can be used for the following:

- To buy property for public uses (recreation, public facilities, historic preservation, neighborhood conservation).
- To build public facilities (roads, curbs, sidewalks, parks, neighborhood facilities, sewerage collection systems, water distribution systems, flood and drainage systems).
- To demolish or to rehabilitate blighted buildings.

- To provide public services.
- To remove architectural barriers for the handicapped and elderly (widen doors, install wheelchair ramps).
- To provide loans and grants to rehabilitate houses and apartments.
- To provide programs to preserve and restore public or private historic properties.
- To implement economic development activities (training programs, energy conservation programs, commercial revitalization).
- To pay for planning and administrative costs (studies, staff salaries).

Block Grant funds cannot be used for the following:

- To build facilities for the general conduct of government business.
- To purchase equipment.
- To purchase construction equipment.
- To purchase equipment, fixtures, motor vehicles, furnishings or other items that are not an integral structural fixture.
- To incur any expense associated with repairing, operating, or maintaining public facilities and services (i.e. maintenance of streets, parks, water and sewer facilities, senior centers, centers for the handicapped, parking, etc.).
- To construct new permanent residential housing except when carried out by a non-profit organization.
- To make income payments for housing (i.e. payments for housing maintenance, housing allowances, and down payments). Mortgage subsidies are not allowed except when funded through a nonprofit organization as second trusts.
- To pay for the salaries of trainees in training programs unless the work performed in that training program serves a public purpose.
- To fund active churches or church-affiliated organizations, unless a clear separation of purpose, mission and organizational relationship can be established between an active church and any ancillary buildings it may own or affiliated organizations it may set up.

IMPORTANT NOTICE FOR APPLICANTS

Every year, the demand for CDBG funds exceeds the amount of money available. The City of Rockville is therefore committed to funding projects that are ready to proceed immediately after funds are available and those prepared to spend the approved funds within a twelve-month period. Unspent funds remaining at the end of the subgrantee agreement term may be recaptured. Plan your projects accordingly.

Please be aware that even if your project is approved, it may be recommended at a smaller level of funding than was requested. Please develop contingency plans for smaller CDBG awards.

Finally, these funds, if awarded, are NOT an ongoing source of operating support for. Even if you receive funding in year one, there is no guarantee that approved projects will receive funding in subsequent years.
